

Regarding Hotel Reservations Urgent!

Please note that the hotel name you have chosen in the hotel name section on the pre-registration form is solely for IDB Headquarters records and has no actual connection with the hotel reservation system.

It seems that there are many participants who have pre-registered, but have not yet made actual reservations at a hotel.

To ensure a pleasant stay in Okinawa, we urge participants who haven't made hotel reservations to complete their hotel reservations as soon as possible with the [Accommodations and Transportation Reservation Center](#).

How to Make Reservations

1. Access the following link: [Accommodations and Transportation Reservation Center](#).
2. Select either "OFFICIAL DELEGATIONS" or "OBSERVERS/SPECIAL GUESTS/PRESS".
3. Scroll to the bottom of the page and click the "Application Form" button.
4. Then, fill in the online reservation form or print the application form (Adobe PDF format), fill in the required information and send your reservation requests via fax or e-mail to the Accommodations and Transportation Reservation Center.

Reservations are concluded when you receive a "CONFIRMATION & RECEIPT" from the Accommodations and Transportation Reservation Center by e-mail or fax.
