- (e) Reference Rate: 3-Month AUD-BBR-BBSW

“3-Month AUD-BBR-BBSW” means that the rate for an Interest Determination Date will be the average mid rate, for Australian Dollar bills of exchange having a tenor of 3 months, which appears on the Reuters Screen BBSW Page at approximately 10:00 a.m., Sydney time, on that Interest Determination Date.

“Interest Determination Date” means the first Sydney Business Day of the relevant Interest Period; and

“Sydney Business Day” means a day on which commercial banks are open for general business, including dealings in foreign exchange and foreign currency deposits, in Sydney.

If such rate does not appear on the Reuters Screen BBSW Page by 10:30 a.m., Sydney time, on the Interest Determination Date, then the rate for that Interest Determination Date will be the arithmetic mean of the mid of the bid and ask rates quoted by five of the financial institutions authorized to quote on the Reuters Screen BBSW Page (the “Reference Banks”) to the Calculation Agent. The quotations will be for rates which the Reference Banks quoted or would have quoted at approximately 10:00 a.m., Sydney time, on the Interest

Determination Date for Australian Dollar bills of exchange having a tenor of 3 months and of the type specified for the purpose of quoting on the Reuters Screen BBSW Page. If in respect of an Interest Determination Date the rate for that Interest Determination Date cannot be determined in accordance with the foregoing procedures, then the rate for that Interest Determination Date will be the rate determined by the Calculation Agent having regard to comparable indices then available. The rate calculated or determined by the Calculation Agent will be expressed as a percentage rate per annum and will be rounded up, if necessary, to the next higher one ten-thousandth of a percentage point (0.0001%).

## General Information

### Additional Information Regarding the Notes

1. The EU has adopted a Directive regarding the taxation of savings income (the "Savings Directive"). The Savings Directive requires Member States (as defined below) to provide to the tax authorities of other Member States details of payments of interest and other similar income paid by a person to an individual in another Member State, except that Austria, Belgium and Luxembourg will instead impose a withholding system for a transitional period unless during such period they elect otherwise.

The Bank undertakes that it will ensure that it maintains a paying agent in a country which is a member of the European Union (a "Member State") that will not be obliged to withhold or deduct tax pursuant to the Savings Directive.

2. United States Tax Matters

Due to changes in law, the following updates to the information presented in the "Tax Matters" section of the Prospectus are applicable:

*A) United States Internal Revenue Service Circular 230 Notice: To ensure compliance with Internal Revenue Service Circular 230, prospective investors are hereby notified that: (a) any discussion of U.S. federal tax issues contained or referred to in this Pricing Supplement, the Prospectus or any other document referred to herein is not intended or written to be used, and cannot be used, by prospective investors for the purpose of avoiding penalties that may be imposed on them under the United States Internal Revenue Code; (b) such discussions are written for use in connection with the promotion or marketing of the transactions or matters addressed herein; and (c) prospective investors should seek advice based on their particular circumstances from an independent tax advisor.*

B) The “Tax Matters” section in the Prospectus and any tax disclosure in this Pricing Supplement is of a general nature only, is not exhaustive of all possible tax considerations and is not intended to be, and should not be construed to be, legal, business or tax advice to any particular prospective investor. Each prospective investor should consult its own tax advisor as to the particular tax consequences to it of the acquisition, ownership, and disposition of the Notes, including the effects of applicable U.S. federal, state, and local tax laws and non-U.S. tax laws and possible changes in tax laws.

C) Due to a change in law since the date of the Prospectus, the second paragraph of “—Payments of Interest” under the United States Holders section should be read as follows: “Interest paid by the Bank on the Notes constitutes income from sources outside the United States and will, depending on your circumstances, be “passive” or “general” income for purposes of computing the foreign tax credit.”

D) Due to a change in law since the date of the Prospectus, the fourth paragraph of “—Purchase, Sale and Retirement of the Notes” under the United States Holders section should be read as follows: “Capital gain of a noncorporate United States holder that is recognized in taxable years beginning before January 1, 2011 is generally taxed at a maximum rate of 15% where the holder has a holding period greater than one year.”
