# IDB GROUP STRATEGIC PRIORITIES AND THE UN SDGs

Our overall approach to sustainability is guided by our Institutional Strategy, our Corporate Results Framework (CRF) and our Environmental and Social Policy Framework (ESPF) .

IDB Group Strategic Priorities	Sustainable Development Goals
 Social Inclusion and Equality	     
 Productivity and Innovation	   
 Economic Integration	  
 Climate Change and Environmental Sustainability	    
 Gender Equality and Diversity	 
 Institutional Capacity and Rule of Law	

- Each priority is aligned with at least one of the SDGs, and all 17 SDGs are covered by the strategy.
- The strategy reaffirms the IDB's two broad objectives: fostering sustainable growth and reducing poverty and inequality, both of which are at the core of the 2030 UN Sustainable Development Agenda.
