Project: Support for the design and execution of the Support to Safety Nets for Vulnerable Populations Affected by Coronavirus in Guyana Project

Title: BEO: Formal, agile enterprise architecture framework such as TOGAF to develop the business, data, and technical architecture, requirements and terms of reference for a Management information system....

Borrower/Bid No:

Operational Consulting Services – Bank Executed Operation (BEO)

Name: Support for the design and execution of the Support to Safety Nets for Vulnerable Populations Affected by Coronavirus in Guyana Project

Description: The Ministry of Human Services and Social Security in Guyana and IDB are looking for a firm that will follow and apply a formal, agile enterprise architecture framework such as TOGAF to develop the business, data, and technical architecture, requirements and terms of reference for a Management information system. The firm will also develop a cybersecurity framework, a data governance and management model, and a technology governance management and operations model for the Ministry.

Deadline: 3 June 2021
