29. IDB - Environmental and Social Policy Framework Support Intern

IDB- 2024 Summer Internship Program

Graduate Intern

Location: Washington, D.C. United States

The IDB Group is a community of diverse, versatile, and passionate people who come together on a journey to improve their lives in Latin America and the Caribbean. Our people find purpose and do what they love in an inclusive, collaborative, agile, and rewarding environment.

About this position

The IDB Group is looking for an active graduate student to be hired as an intern under the Consultant modality.

The 2024 Summer Internship Program is a competitive paid opportunity, based in Headquarters, for university students from member countries to learn about development work and corporate management of the Bank, and to acquire work experience at the professional level through on-the-job learning.

What you will do:

1. Support to the supervision of the IDB's ESPF:

- Support the SPH Team Leader in the supervision of the IDB's Environmental and Social Policy Framework (ESPF) for SPH active investment loan portfolio in different LAC countries. This requires meeting with government counterparts, executing agencies and stakeholders to ensure that the social and environmental provisions in the loan contracts are being fulfilled, including stakeholder participation mechanisms, transparency provisions, and environmental and social mitigation measures.
- Support the SPH Team Leader, in coordination with the ESG Department of the Bank, to design, implement and evaluate at least 2 training workshops on the ESPF for government counterparts and executing agencies in charge of active loans, as well as produce training materials.
- Support the SPH Team Leader in organizing and implementing, in coordination with the ESG Department, the annual required missions for Environmental and Social supervision of different projects in the investment loan portfolio. This includes coordinating with ESG specialists, preparing agendas, coordinating field visits, drafting aide memoire of meetings, documenting improvement plans, and following up on recommendations to ensure compliance with ESPF.
- Support the SPH Team Leader in conducting a stakeholder mapping process for different countries in LAC as it pertains to the development of IDB operations with infrastructure components that require social and environmental mitigation mechanisms.

2. Support to programming in climate change adaptability:

- Support the SPH Team Leader in technical dialogue with government counterparts regarding the adaptability of social protection systems to environmental and climate change risks, particularly in the case of the Program for Inclusion and Social Development Phase II. The intern will work with the Ministry of Social Development, National Protection Services, Ministry of Environment, and technical specialists for developing, implementing and evaluation a Climate Change Vulnerability Index that will support the identification of vulnerable communities and populations to climate change risks.
- Support the SPH Team Leader and government counterparts in developing an Emergency Response Plan for Persons with Disabilities in response to climate change risks, and other external shocks as part of the implementation of the Program for the Social Inclusion of Persons with Disabilities.
