Government Offices (2316/OC-PR, 2419/OC-PR, ATN/OC-14762-PR)
(MI-58-7, PR-3597-9)**

The Policy and Evaluation Committee met on 2 November 2018 to consider the Compliance Review Report for loans 2316/OC-PR and 2419/OC-PR and technical cooperation operation ATN/OC-14762-PR for the project “Downtown Redevelopment, Modernization of Metropolitan Public Transport, and Government Offices” (document MI-58-7, PR-3597-9). The Committee members thanked the Independent Consultation and Investigation Mechanism (MICI) for the report and the recommendations. The Committee also thanked Management for its comments on the MICI’s findings.

The Committee members supported the seven recommendations presented by the MICI. Considering that the operation is in execution, the Committee asked Management to present an action plan addressing the MICI’s recommendations and asked the MICI for a plan to monitor it.

In my capacity as Chairperson of the Policy and Evaluation Committee, I recommend that the Board of Executive Directors approve Management’s implementation of the recommendations set out in document MI-58-7, PR-3597-9.
