**DATE:** December 6<sup>th</sup>, 2022

**SUBJECT:** **Notification of Term Extension for Requesters to Fulfill Some Requirements**

---

Dear Requesters,

We would like to thank you for the recent videocall with the MICI team.

Within the period established by the MICI-BID Policy (MI-47-8), this notification is to inform you that you have **an additional 10 business days** to notify the group's decision regarding the handling of the MICI process.

Additionally, as mentioned during the call, if some of you will act as representatives of the general group, please send us a simple document indicating the name of the people who will represent the group and the authorization of the other claimants.

The deadline to receive the additional information is on December 20, 2022. If MICI does not receive the required information before that date the administrative process will be terminated. **However, this does not pose an obstacle to resubmitting a new Request when the full information is ready.**

Again, we remain at your disposal for any questions regarding MICI and its process.

Best regards,
